

A message from our Mayor, Jim Swenson:

“2020 was a very PROSPEROUS YEAR for NORTH BRANCH!
In spite of the closures and other impacts of COVID, North Branch saw a RECORD amount of new development and improvements. 113 new homes were constructed. When home improvements, new housing, and commercial permits were tallied, the city saw an investment of almost \$27 MILLION of new value!!!
2021 looks to be a continuation of the same!!!”
